## MEET ALEXANDRA

---

I'm Alexandra! Or Alex, for short. I have been running Alexandra Graham Photography full time since 2014 and I am so incredibly lucky to be able to call this my job.

I am based in Somerset West, just 40 minutes outside of Cape Town. I have travelled all over South Africa and the world for weddings (Angola, Botswana, England), and love to photograph love wherever it is present.

I am a firm believer in a few things: timeless wedding photos that are true to life, and happy couples! My goal is always to tell the story of your wedding day in a way that future generations will immediately be able to connect with, and enjoy.

I am a lover of sappy romcoms and chai lattes. When I'm not taking photos or editing you can find me doing one of my many hobbies like sewing, teaching dance classes or creating resin art.

I am the sole photographer and editor at my business and I do every task by hand, myself. With me, you are cared for and attention is paid to every little detail you put into your wedding day.

# WHAT TO EXPECT

---

## BOOKING:

Once you are ready to book, I send you my online booking form, requesting all the details of your wedding day. Once I've received that, I send you my contract and invoice. I require a 50% booking fee to secure your date.

## ENGAGEMENT SHOOT

When the booking is official, we can set a date for your complimentary engagement shoot. This is a great way to get to know each other before the big day!

## WEDDING DAY

When your wedding day is finally here, we would have confirmed a timeline and any special requests. On the day of the wedding you don't need to worry about a thing. I will keep things going and make sure you get all of your photos in the time booked.

## PHOTO BOOKS

After the wedding day, I will select and edit your wedding photos. They will then go into an online gallery, which will be password protected and sent to you. You get to choose 150 photos to include in your photobook! The final book design will be confirmed by you before being sent off for printing.

## DELIVERY

The final package of photos, including your photobooks and the USB with all high resolution images will be delivered through my chosen delivery option.

## HELPFUL TIPS

---

### ENGAGEMENT SHOOT & MAKEUP

If you are having a trial for your bridal makeup, try and plan it around the engagement shoot, so that you can see how it looks on camera before the big day!

### ENGAGEMENT SHOOT OUTFITS

Dress up! Wear something a little bit fancy for your engagement photos - celebrate it as a special occasion! I have a full engagement shoot guide for every client once they book.

### WEDDING DAY GETTING READY

I highly suggest making use of booked accommodation for your getting ready photos on the day of the wedding. It can double as your place to sleep that evening, or for family to sleep. Find something with lots of bright light - it makes the biggest difference to your portraits. If both partners can get ready close to the venue, this also saves driving time and stress on the wedding day.

### FAMILY PHOTOS

I request a list of maximum 10 formal family portraits on the wedding day. It helps to have somebody in your bridal party or family to coordinate the groups in order to keep it orderly and quick!

### PHOTO TIMING

Sunset is usually the most sought-after part of the day for photos. I recommend working backwards from the sunset time on your wedding day to work out the best timeline.

I work closely with each client to ensure a seamless timeline on the wedding day. I give each client a timeline guide with booking.
